

MY MARY KAY CONTACT LIST

Make a list of every person you know that has skin on their face! They can help you start your business, give you their opinion, and allow you to practice on them. Write down people with whom you went to school, your current or past co-workers, relatives, relatives of relatives, husbands co-workers, and people you come in contact with. These are also the women you will invite to your Business Debut. Put a check next to at least 5 women whom you'll like to have on your team.
